

1. Print and cut round the chatterbox
2. Fold in half, then fold in half again
3. Open out and turn it over so the blank side is at the top.
4. Fold each corner into the middle
5. Turn it over and repeat so the numbers are folded into the middle
6. Turn it over so you can see the pictures
7. Put your thumb and your finger under two of the flaps (pictures) that are next to each other and press together so the paper folds and your thumb and finger touch each other through the paper
8. Turn over and repeat with the thumb and finger of the other hand for the other two pictures
9. All the pictures should now be at the front with their centre points touching. The chatterbox is ready to use.
